

BRATTON APPLE DAY

Over 20 villagers took part in Apple Day in Reeves Orchard, Bratton on Saturday 21st October.

Using apple juicing equipment purchased with a grant from Westbury Area Board, villagers worked together to produce wonderful fresh apple juice to take home.

We also need more volunteers to help look after the community orchard. If you have some time to spare please contact Amanda Callard on amanda.callard@bratton-parish.co.uk.
